

General Terms and Conditions

1. Carlala Fashion is a private enterprise established under the laws of the Netherlands and with its registered seat in Amsterdam for the purpose of designing, selling and/or distributing fashion products.
2. All relations between the customer and Carlala Fashion shall be subject to these General Terms and Conditions.
3. Carlala Fashion operates as sole contracting party of the customer. Orders by a customer from Carlala Fashion shall be entering into force and be binding once such customer has paid an advance equal to 30% of the total amount of the order. The balance is to be paid within 7 days after the delivery of the ordered products. Customer has 7 days after the delivery of the products to indicate if there are in his opinion faults in the delivered products after which time it is considered that the delivered products are in accordance with the agreed specifications of the ordered products. In case of late payment interest will be charged at the rate of 1,5% per month.
4. Carlala Fashion will take care of the transport to the customer in an orderly fashion whereby the costs of transportation will be borne by the customer.
5. The person who performs services for Carlala Fashion may be referred to by or on behalf of Carlala Fashion as owner or director in accordance with general professional custom. This person referred to as such acts exclusively for the account and risk of Carlala Fashion in performing her professional services.
6. Any liability of Carlala Fashion is limited to the amount paid out under its liability insurance policy.
7. These General Terms and Conditions may also be invoked by persons and legal entities associated with Carlala Fashion, whether directly or indirectly, and that are involved in any manner in the activities of Carlala Fashion.
8. The relations between a customer and Carlala Fashion shall be governed by the laws of the Netherlands.
9. The court in Amsterdam shall be exclusively competent to hear any dispute between the customer and Carlala Fashion.
